

2022 MSHA Annual Refresher & Safety Training

presented by

SDPAA & SDML WC Fund

NOTICE

This training may be required for streets, highways or public works employees!

Mine Safety & Health Act (MSHA) Part 46.8

Employees involved in mining, including those working at gravel pits, are required to receive 8 hours of annual refresher training as outlined in the entity's written training plan. **These classes meet MSHA annual refresher training requirements.**

General Safety Training

For those not required to comply with MSHA, be sure to review the training topics offered and consider sending your employees. A minimal investment of time may help your entity meet safety training goals, manage risks and avoid work-related injuries. **These classes qualify for 5 contact hours toward Water/Wastewater Operator Recertification.**
