

2024 MSHA Annual Refresher & Safety Training

presented by

SDPAA & SDML WC Fund

NOTICE

This training may be required for streets, highways, or public works employees!

Mine Safety & Health Act (MSHA) Part 46.8

Employees involved in mining, including those working at gravel pits, are required to receive 8 hours of annual refresher training as outlined in the entity's written training plan. **These classes meet MSHA annual refresher training requirements.**

General Safety Training

For those not required to comply with MSHA, be sure to review the training topics offered and consider sending your employees. A minimal investment of time may help your entity meet safety training goals, manage risks, and avoid work-related injuries. **These classes qualify for 5 contact hours toward Water/Wastewater Operator Recertification.**

2024 MSHA Annual Refresher Training Topics

- Review of Mine Safety Act
- Pit Safety
- Accident Prevention
- Fall Prevention
- Fire Safety
- First Aid
- Ground Conditions/Control
- Hazard Communication
